TRANSCRIPT LEGEND

UNITS OF CREDIT/ACADEMIC STANDING

Credit for academic work in the University is evaluated in quarter units, except for the School of Law and the School of Veterinary Medicine*, which are on the semester system. One quarter unit represents three hours of work per week by the student, including both class attendance and preparation. Laboratory and discussion sections may or may not be given unit value. To convert quarter units to semester units, multiply by 2/3; from semester to quarter units, multiply by 3/2. Undergraduate students are considered in good academic standing if they meet the University's qualitative standards of scholarship by maintaining quarterly and cumulative grade point average of 2.000 or greater. Graduate and professional school students with scholarship deficiencies are subject to action at the discretion of their respective deans.

*The School of Veterinary Medicine is evaluated in the semester system for incoming students effective Fall 2011. Students admitted prior to Fall 2011 are evaluated in the quarter system unless otherwise noted on their transcript.
